The showcase went viral on major HBCU platforms, and set the standard for Kappa Kappa Psi & Tau Beta Sigma membership presentations across the nation.

## SPRING RECITAL

After a two year hiatus, the chapter hosted our yearly recital. This year, we showcased our creativity and excellence in musicianship with the theme “Brothers vs. Bruhs,” a production that highlighted the diversity of the fraternity, and our ability to master the arts of classical music, modern R&B and jazz, melodious stepping, and harmonious singing. 5 brothers presented solos on their respective instruments, as well as the fraternity jazz combo soothing the audience.
